Teaching/Delivery Methods
For English programs:

given a placement test upon arrival at the Academy in order to determine their English level. As students improve, they will be able to move to the next level. Students will be regularly monitored to ensure that they are in the correct level. Most of the learning is held in training rooms with various teaching methods used including, role-plays, presentations, case studies & training videos. On occasion, field trips as well as a visit to the local libraries will be organised to enhance the learning.

The Academy recognises the principle of flexible delivery. Programs are supervised by qualified teachers and are designed to emphasise flexibility of delivery and assessment to maximise the opportunity for access and participation.

Teaching & assessment methods may include the following: self-paced learning, flexible timetabling, computer assisted learning, face to face lecture/tutorial, individualised learning, role plays, simulations and group work. Fees for these programs may apply where one-to-one training and assessment is required. Students have opportunities both formally and informally to provide feedback to teachers for the improvement of future program delivery.

Students will be given a placement test upon arrival at the Academy to determine their level. As students progress, they will move up to the next level. Students who have successfully completed their level may then move to the next level. Students will learn reading, writing (including academic writing), speaking and listening skills in each level. Each week will be structured around a theme and the teaching and assessment tasks will be related to that theme. Refer to the course information booklet for more details.

Refund will only be given to the person who paid the tuition fees. For example, if the tuition fee was paid by an agent or parents, the money will only be refunded to either the agent or parents.

“This agreement, and the availability of complaints and appeals processes, does not remove the right of the student to take action under Australia’s consumer protection laws”.

**Transfer between registered providers**

Australian Government law stops the Academy from enrolling transferring students that have not studied at least six months of their ‘principal course of study’. Students who have studied longer than this period can apply as normal and no letter of release need to be given.

As AAC ELICOS courses do not run for 6 months or more, each request for a letter of release will be assessed on a case-by-case basis and the result given based on the student’s best interests and the National Code 2007. The Academy will not provide a release letter when money is still owed in course fees or if the Academy thinks that the student is wanting to transfer to avoid being reported to DEEWR for failure to meet academic progress or attendance.

The QMT or the Principal will decide whether to refuse a letter of release for any student. The Academy will provide the reasons in writing for refusing the request and the student will be informed of his/her right to appeal as per the National Code Standard 8).

Students must apply for a letter of release using the Student Transfer Application Form. The Principal will reply to applications for a letter of release within 14 days of their receipt.

A letter of release will normally be granted in the following situations:

1. The Australian Academy of Commerce is unable to continue to provide the course; or
2. The student has changed welfare and accommodation arrangements and is no longer within a reasonable travelling time of the college; or
3. The student can show a threat or danger to their physical or mental health or safety by remaining at the Academy and can clearly explain how this will be fixed through a transfer; or
4. It has been agreed by the Academy the student would be better placed in a course that is not available at the Australian Academy of Commerce; or
5. The current course of study is clearly not consistent with the course applied for on their application.

A letter of release will normally **not** be granted in the following situations:

- Student fees are in outstanding;
- The proposed transfer will stop or slow the student’s progression through a package of courses;
- The student has unsatisfactory academic progress;
- The student has unsatisfactory attendance;
- The student’s progress is likely to be disadvantaged;
- The Academy is concerned that the student’s application to transfer is due to pressure from another party;
- The student cannot provide a letter from another registered provider confirming that a valid enrolment offer has been made.

If a letter of release is refused, reasons for the refusal will be put in writing and the student will be informed of their rights of appeal using the Academy’s Complaints and Appeals Procedure.
A copy of the student's letter of release application; notes recording the assessment of the application and a copy of the response letter outlining the decision made in relation to the request for release that was sent to the student by the Academy is placed into the student's file.

**Client support**

**Airport pick up**

If you require an airport pick up, please advice the Academy at least 14 days in advance. A Student Services Officer will meet you at the airport and transport you to your accommodation for a charge of **AU$200.00**.

**Accommodation**

Our Principal Administrator, Athena Valassas ([Athena@aac.nsw.edu.au](mailto:Athena@aac.nsw.edu.au)), can arrange homestay accommodation for free if requested. Costs are generally:

- **Homestay (Full board)** –
  - Single Room – from AU$200.00 – AU$300.00 per week
  - Shared Room – from AU$150.00 – AU$200.00 per week

Please tell us 14 days before you need accommodation. It is estimated that students who live alone spend a total of between AU$250-$450 per week on accommodation, food and other living expenses.

**Homestay Partner**

The best introduction to life in a new country is to arrange your arrival accommodation with a host from an accredited Homestay organisation. A trained Homestay Host can help you settled into your new life in Australia, including looking at your future accommodation options.

The Australian Academy of Commerce has contracted with the [Australian Homestay Network (AHN)](http://www.ausacademy.edu.au/website/homestay/) for both Homestay and ‘HomeShare’ welcoming and temporary accommodation for new international students. Initial placement is recommended for 4 weeks with the option to extend your stay after the initial period.

AHN has been contracted to the Australian Academy of Commerce as they meet standards that have been set to ensure that you have the best possible experience in your homestay environment.

**Why is Homestay a great option?**

AHN Homestay Hosts are trained to assist international students:

- settle into their new community
- understand the basics of Australian culture and personal safety
- gain everyday conversational skills
- learn the community basics such as buying transport tickets
- organise banking, internet, mobile phones, etc.
- learn frequently used English and ‘Aussie’ words and phrases.

AHN offers a range of service levels to cater for all type of guests, including ‘HomeShare’ which is ideal for more independent students.

All students have access to student support in the following areas:

- Medical referral

Learners’ needs

The Academy tries to give learning support to all students. If there are any special learning needs we can customise our teaching to these needs. We will interview all students at the start of your study to see if there are any special learning needs.

The types of things you may need help with include:

- English language levels
- Literacy and numeracy levels
- Learning styles – ie preference to auditory, visual, tactile, reading/writing
- Physical ability
- Intellectual ability
- Cultural or ethnic background

The Academy will ensure students have access to the staff, facilities, equipment, training and assessment materials required to provide the help its students need to study successfully.

Students also have access to the Kogarah public library which contains many useful English language, reference and general reading materials.

Student Visas

International students are must follow the student visa rules. International students must attend a minimum of 20 face-to-face contact hours and have satisfactory academic performance. For all information about student please visit the Department of Immigration website at http://www.immi.gov.au/students/.

Overseas Students Health Cover (OSHC)

The Australian government requires all overseas students to pay for Overseas Student Health Cover (OSHC) during their stay in Australia. Australian Academy of Commerce preferred OSHC provider is Australian Health Management (AHM). The Academy’s staff can help students in arranging this through the OSHC scheme. The cost of OSHC for 1 year is currently AU$420.00 (Single) and AU$840.00 (Family).
Assessment procedures

Assessments

Students will do weekly progress tests to see how well they are learning each week’s topics. Every 4 weeks a report will be made on the student’s progress and any students not passing the progress test will be ‘at risk’ and meet with the Director of Studies to see how this can be fixed.

To meet satisfactory course progress and to continue to a higher level of study, students must pass their course ‘exit test’. Students who do not pass this test, including those who do not do the test when they should, will not be able to go to a higher level and must repeat their current level until they do pass and will receive a warning of unsatisfactory course progression. If a student does not do their exit test, they have one week to make a new time to do it with the Director of Studies or they will be marked as failed.

Students who do not pass their exit test (60% of higher marked) will receive a warning letter for not unsatisfactory progression. Students who are still ‘at risk’ during week 4 or 8 of their 2nd attempt at the course will receive a second warning. Students will be expected to meet with the Director of Studies when they are ‘at risk’ or receive a warning so they can get help in meeting the course requirements.

Students who fail to successfully exit their course twice (maximum of 24 weeks total time) will receive a written notice of intention to report for unsatisfactory course progress. Students who are repeating a course or who are identified as being at a high level for their current course are able to do the exit test before the end of the 12 week course without being reported for unsatisfactory course progress.

Students have the right of appeal an assessment result by writing to the Principal Administrator within two weeks of assessment. In the event that you are not satisfied with an assessment decision or process, the following procedure applies:

1. Discuss the matter with the teacher;
2. If you’re still unsatisfied, get an Improvement Action Record form from the Principal Administrator, complete it, then return it to them.
3. Your appeal will be examined by the Principal Administrator and Director of Studies
4. If the matter remains unresolved then the Principal Administrator will go higher to the Academic Manager;
5. If the matter is still unresolved, then the student would be advised to take the matter to an independent party such as the Overseas Student Ombudsman.

Support and Career Services

If you have a problem, talk to someone! Feel free to speak to your teacher, Student Services Manager (SSM) or see one of the Student Services Officers (SSO). The Principal is also on hand to help you (appointments only).

The SSOs will assist students who require assistance in adjusting to study and life in Australia. A lot of information is given in the student orientation session and in the Student Handbook. For free, the SSOs are able to clarify important information &/or direct you to: legal services, emergency and health services, facilities and resources, complaints and appeals processes and student visa obligations (meeting course & attendance requirements).

Students are encouraged to discuss their academic performance and attendance record with their teacher(s), Student Services Manager or one of the SSO. Serious or complex matters will be directed to the Principal for clarification.
The Australian Academy of Commerce wants you to have a safe and healthy place to study. Every person in the premises is expected to take reasonable care of their own health and safety and for that of anyone else who may be affected by their actions. If you have a health and safety question or issue, please tell your teacher or reception. In case of emergency, follow the instructions of your teacher or other staff member and the fire drill instructions and exit map signs on the walls.

If anyone is hurt, please report it to a staff member immediately. A First Aid Kit is at the Reception Desk.

**Grievance and Student Complaints and Appeals Policy**

Grievance is a complaint presented by an individual, or a group, based on the opinion that they are, or have been, receiving treatment that differs from the treatment received by other individuals or groups.

All formal complaints are dealt with at no cost to the person complaining and will be dealt with fairly and as quickly as possible.

If a student has a problem at the Academy, please talk to your teacher or SSO.

All formal complaints or appeals should be made on the Improvement Action Record (IAR) form at reception. The SSO can help you complete the IAR form if you have trouble. The IAR form is given immediately to a member of the QMT who will ensure that the IAR is discussed and action taken within 10 working days. Students will be told in person about the result, and if this isn’t possible a letter will be sent to the student explaining the result.

If the student is not satisfied with the QMT’s decision, s/he is entitled to appeal and be heard by an Overseas Students Ombudsman. The Overseas Students Ombudsman is free and independent. Students can find out more at www.oso.gov.au or phone 1300 362 072. The student must continue to attend classes and maintain their enrolment while the complaints and appeals process is ongoing.

**Completion within expected duration of study**

The Academy is required by law to make sure students are able to complete their studies within the times specified in their CoE, unless certain circumstances apply.

Students must always make sure that they can complete their course in time. If a student completes their course early they must make sure all fees are paid and the Academy must report this to the Department of Immigration & Border Protection (DIBP), and the duration of the student’s visa will most likely be reduced.

**Extension of Studies**

In some cases, the student visa expires before the student completes the course. This may occur when:

- You have deferred or suspended your studies;
- You have transferred from another Institute;
- You have been unable to attend class for medical reasons that have been supported by medical documentation, or other exceptional compassionate circumstances beyond the control of the student (e.g. bereavement);
- You have not passed your tests.

The Department of Immigration will decide if you are able to extend your student visa to complete your study. Fees apply except for when the reason is beyond the student’s control.

**Attendance**

The Academy monitors students’ attendance to make sure they meet their visa conditions. Students who do not attend a minimum of 80% of the weekly 20 face-to-face contact hours each term will be reported.
Class teachers will keep an attendance roll. If you are unable to attend you must tell the Academy and explain why. If it is a medical reason, a certificate from a General Practitioner must be given to the Academy.

Students who attend less than 80% of the contact hours are ‘at risk’ and will be contacted by an SSO to find out the reason and how this can be fixed.

### Acceptable Absences

The Academy may accept absences for the following reasons,

- **Sickness** – if supported by a medical certificate from a registered medical practitioner.

Course deferral, suspension and cancellation

Students can defer or temporarily suspend their studies during their course only in certain circumstances, on the grounds of compassionate or compelling circumstances. Compelling or compassionate circumstances are things like a serious injury to yourself or close family member (supported by a medical certificate), political or natural disaster in the home country which requires urgent return, traumatic experience (supported by police or psychologist’ report), when you can’t meet the English language level requirement in time, a delay in visa being issued, serious misconduct, very late fees, etc.

Students must apply for deferment/suspension and explain why and the times required. The DIBP may cancel a visa if the deferment is for more than 1 term.

Students may also have their enrolment deferred or suspended due to misbehaviour which can also be grounds for cancellation of studies.

Students must be aware that deferring, suspending or cancelling the enrolment may affect their student visa.
