**Orientation**

**Location**

The Academy is in a great location in Sydney’s central business district. It is the perfect place to study as the underground trains and buses link up to practically anywhere in the Sydney metropolitan area including the world famous Bondi Beach and the Olympics site at Homebush Bay. The country trains that go all over the country also stop at a terminal nearby. All these transport links are only a minute away.

Sydney is a great city with cafes, small shops, large shopping centres, cosmopolitan restaurants, cinemas, public bars, nightclubs, fitness gyms, sports facilities, and many more.

**Orientation Day**

On the first day at the Academy, students are assisted with information in the following areas:

- Course progress and attendance monitoring
- Course timetable & course content & learners’ needs
- Requirements to receive a qualification
- Appeals policy and procedures
- Course deferment and suspension
- Course transfer policy
- Administration fees & refunds policy
- Student support services including legal services
- AusAcademy Online (student access)

**Class Sessions**

The Australian Academy of Commerce offers morning, afternoon and evening class sessions. This is intended to give students flexibility in attendance to suit other commitments. All overseas students must study with a full-load of 20 contact hours per week – enrolled in five sessions per week. AAC has an e-learning platform which allows students to study 20% (4 hours) of their course load each week online.

If an overseas student wishes to work while their course is in session, they are required to apply to the Department of Immigration and Border Protection for a visa with appropriate work rights, after they have commenced their studies in Australia. Students who have been granted work rights are permitted to work...
up to 40 hours per fortnight while their course is in session. Students' attendance records will be monitored in the classrooms only.

Facilities
The VET courses offered by the Academy are currently at one site: Main Campus. The Main Campus is located in the Prince Centre building with brand new facilities. The classrooms are furnished with new training equipment including DVD & VCR players, OHP & data projectors, whiteboards, cassette & CD players, PCs and ergonomic chairs for student comfort. The management team continually monitors its amenities, equipment and premises to comply with all the relevant government regulations and industry requirements for the effective implementation of the Training Package.

Teaching/Delivery Methods
The Academy refers to the Training Package's guidelines and requirements to implement its strategies for training delivery of the units of each qualification. This includes identifying learning needs and every training session documented to ensure the Performance Criteria is addressed and facilitated. Most of the learning is held in training rooms with various teaching methods used including, role-plays, presentations, case studies & training videos. On occasions, field trips as well as a visit to the local libraries will be organised to enhance the learning.

The Academy recognises the principle of flexible delivery. Programs are supervised by qualified trainers/assessors and are designed to emphasise flexibility of delivery and assessment to maximise the opportunity for access and participation by students who:

- have missed out on scheduled lessons due to sickness or personal reasons;
- have organised credit transfer;
- have achieved RPL (recognition of prior learning) and need to complete units not offered on the timetable;
- would like to fast-track their course, that is, finish their course in a shorter period of time;
- need to be specially managed because their training periods could not be accommodated due to a 'not yet competent' result and that the timetable does not allow completion within the period of enrolment.

Training & assessment methods may include the following: self-paced learning, flexible timetabling, computer assisted learning, face to face lecture/tutorial, individualised learning, role plays, simulations and group work. Fees for these programs may apply where one-to-one training and assessment is required. Students have opportunities both formally and informally to provide feedback to Trainers/Assessors for the improvement of future program delivery.

Assessment Methods
The Australian Academy of Commerce uses a variety of assessment methods including:

- Scenarios
- Knowledge Test
- Written Assignment/ Report
- Case Studies or Projects
- Self Assessment
- Observation and Demonstration
- Group Activities
- Individual Activities
- Workbook Activities

The assessment methods meet the National Training Framework and enable you to demonstrate your knowledge, skills, understanding and abilities in relation to the structure.
Course information

The starting dates for the business qualifications are every term – for specific dates refer to the Academic Calendar (available on website).

Business qualifications

The Australian Academy of Commerce's qualifications are designed to provide students with the skills, knowledge and attitude that are essential to be successful in the commercial world. Our qualifications also provide a good foundation of knowledge for those who wish to study business at an Australian university.

The business courses are dynamic due to the presentation and the material used. The prescribed text will be from the newest business publications as well as highlighting journal articles from the Australian Institute of Management’s Management Today and the Harvard Business Review.

Pre-requisites for qualification level

In reference to the Business Services Training Package policy on pre-requisites the Australian Academy of Commerce endeavours to bring the candidate to an appropriate level matching their skills, attributes, experiences and potential. In determining whether a candidate has the required competency for entry, the full requirements of the competency standards of the qualification are considered. These include underpinning knowledge and skills, the language, literacy and numeracy requirements and the levels of attainment of the Key Competencies with the corresponding Performance Levels of each unit of the qualification. The determination of entry requirements and progression between levels are assessed by the Principal &/or the Academic Consultant.

The Academy ensures that all qualifications lead to a work outcome with the broadest possible combination of skills and attributes for maximum employability in the business sector.

Fees, refund policy, credit transfer and RPL

All course fees and charges are payable in Australian Dollars (AUD). There is no reduction in fees for subject exemptions. All fees and charges must be paid in advance by the date shown on the invoice and/or their student portal (AusAcademy online). A penalty may be applied to late tuition fees.

Students may be precluded from attending class, receiving results, sitting tests / exams if tuition fees have not been paid in full by the date written on their invoice. The Academy is not responsible for any monies paid to agents or 3rd parties.

Fee payment plans are available to all students. Once enrolment in a course has been confirmed the first term or semester (depends on the individual payment schedule) fee plus all other fees including learning material costs and other levied fees is required to be paid. Each terms fee must be paid prior to the commencement of the relevant term and students will receive the payment reminder notice 10 days before the due date.

A late payment penalty will apply if the tuition fees are overdue.

- $100.00 if overdue within 7 days
- $200.00 if overdue over 7 days

Should fees remain overdue for more than 14 days the Academy will inform the student in writing of its intention to report for non-payment of fees to DIBP via PRISMS.

Whilst student fees are outstanding students will not be permitted to attend their scheduled classes until such time as the outstanding fees have been paid.

The payment of all fees and charges is receipted and dated at the time of payment. Records of fees receipted and dated are maintained and secured for two years after the student ceases to be a student and is kept within the financial management system software for up to fives years as required by taxation legislation.

It should also be noted that any aged dependants accompanying you in Australia will be required to pay full fees if they are enrolled in either a government or non-government college.

**Other costs**

The Australian Academy of Commerce will provide free Internet access! But all students are expected to have their own laptop with mobile technology (purchases of laptops can be arranged prior to enrolment), stationery, calculators and other study equipment.
Refund policy

Under Standard 7 of the National Code 2007, except for special circumstances, registered providers are restricted from enrolling and transferring students prior to completing the first six months of the principal course of study.

In the unlikely event that the Australian Academy of Commerce (‘Academy’) is unable to deliver your course in full, you will be offered a refund of all the course money you have paid to date. The refund will be paid to you within two weeks of the day on which the course ceased being provided. Alternatively, you may be offered enrolment in an alternative course by the Australian Academy of Commerce at no cost to you. You have the right to choose whether you would prefer a full refund of course fees, or to accept a place in another course. If you choose placement in another course, we will ask you to sign a document to indicate that you accept the placement.

If the Academy is unable to provide a refund or place you in an alternative course the Tuition Protection Scheme (TPS) will attempt to place you in a suitable alternative course or, if this is not possible, you will be eligible for a refund as calculated by the TPS Director. For more information visit the official TPS website https://tps.gov.au/Information/Students/How or call 02 6271 3440.

To apply for a refund – a Refund Application Form or Agent Refund Application Form (if applying through an agent) – must be completed and submitted to the Student Services Officer. The Australian Academy of Commerce will issue refunds in advance payment of tuition fees within 28 days when:

- Tuition fees are refunded in full; less 5% of the total amount of pre-paid tuition fees (up to a maximum amount of $500) if your application for a student visa is rejected by DIBP (the official visa refusal letter from DIBP must be provided as evidence);
- If you withdraw from your course 28 days or more prior to the commencement of your course (commencement of course is defined in this policy and procedure as the course start date as per the original Application Form submitted by the student or an agent and not subsequent enrolment changes to the starting date), 80% of your tuition fee will be refunded;
- If you withdraw from your course less than 28 days prior to the commencement of your course, a fee equal to one term tuition will be charged;
- If you applied for a visa extension and it was not granted by DIBP; the unused tuition fees are refunded in full;
- If you are a current student and withdraw in writing 28 days or more prior to the commencement of the following term the Academy shall refund the unused tuition fees;
- If a student is provisionally enrolled, on condition of achieving evidence of acceptable English Language Proficiency, and the student cannot achieve the required level, all tuition fees and charges corresponding to the course will be refunded less a charge of AU$300.

We will not issue refunds for:

- Application fee, accommodation assistance & airport reception fees;
- If you withdraw from your course after the course has commenced;
- If you withdraw from your course not in accordance with your visa obligations and behaved not in good faith;
- Change in student’s work hours;
- Inconvenience of travel to class;
- Moving interstate or overseas;
- Job change or retrenchment;
- Students who leave before completing the course &/or qualification;
- If a student becomes a permanent resident of Australia during the program. No guarantees of university or other pathway places will apply to such students.

Eligible refunds will be refunded within 28 days of receipt of written notification. The Australian Academy of Commerce will provide the student a statement that explains how the amount has been worked out.
Refund will only be given to the person who paid the tuition fees. For example, if the tuition fee was paid by an agent or parents, the money will only be refunded to either the agent or parents.

“This agreement, and the availability of complaints and appeals processes, does not remove the right of the student to take action under Australia’s consumer protection laws”.

**Withdrawal from commenced course**

In the event the student intends to transfer their study to another provider or terminate their study; 28 days notice (by appropriate form) is required before the commencement date of the next term. If notice is given less than 28 days of the commencement date, the student or an agent or parents, have the obligation to pay the following term’s fees according to the instalment indicated on the receipt.

To give notice the *Termination of Studies Form* or *Student Transfer Application Form* must be completed to notify the Academy of the termination of your study. The forms are available at the office in the Main Campus building.

**Transfer between registered providers**

From July 2007 providers are restricted from enrolling transferring students prior to the student completing six months of their ‘principal course of study’. This policy details the procedures for assessing applications to transfer within this period. Students who have studied longer than this period can apply as normal and no letter of release need to be sighted or produced.

The principal course of study at the Academy is the diploma qualification. If a student has not completed six months at the diploma level of study the student will not be granted a letter of release. Also the Academy will not provide a release letter when there is an outstanding amount still owed in course fees or that it is suspected that they are seeking transfer only to avoid being reported to DEEWR for failure to meet academic progress or attendance.

The QMT or the Principal will make the final decision as to whether to refuse a letter of release for any student. The Academy will provide the reasons in writing for refusing the request and must be informed of his/her right to appeal (National Code Standard 8).

**Procedure for assessing students wishing to transfer into the Academy**

The Academy will not knowingly enrol a student wishing to transfer from another registered provider’s course prior to the student completing six months of his or her principal course of study except where:

- The original registered provider has ceased to be registered or the course in which the student is enrolled has ceased to be registered;
- The original registered provider has provided a written letter of release;
- The original registered provider has had a sanction imposed on its registration by the Australian government or state or territory government that prevents the student from continuing his or her principal course of study, or
- Any government sponsor of the student considers the change to be in the student’s best interest and has provided written support for that change.

In the event that the Academy knowingly enrols a student wishing to transfer from another registered provider’s course prior to the student completing six months of his or her principal course of study, documentary evidence of at least one of the four conditions listed above must be obtained and placed in the transferring student’s file.
The Academy will not seek to enrol a student who has not yet completed six months of their principal course of study with another registered provider unless the requirements of the National Code 2007 are met and then only in accordance with this procedure.

- An application is received from a student who is on-shore and who has indicated that they are currently studying at another institution. If they are under 18, the Academy will automatically refuse the application.
- Upon receiving signed application form the Academy will issue a valid Letter of Offer or Conditional Letter of Offer to the prospective student.
- Prospective student submit the Letter of Offer or Conditional Letter of Offer to the current RTO from he/she would like to transfer out. The RTO will assess the application for letter of release and make decision whether to issue letter of release or not. Note if they are in receipt of a government scholarship, they should provide a written support from the government agreeing to the change which will stand in lieu of any letter of release.
- If a letter of release or a government document is received and the student has no outstanding fees to be paid to the prior institution or other outstanding matters of concern, the application proceeds as for all off-shore applicants.

If no satisfactory letter of release is obtained from such students, the application process is halted and the student informed that they are unable to transfer at this time. They are welcome to re-activate their application when the 6 month period of the principal course has been passed.

**Procedure for assessing applications wishing to transfer out of the Academy**

Students must apply for a letter of release using the Student Transfer Application Form. The Principal will consider and respond to applications for a letter of release within 14 days of their lodgement.

A letter of release will normally be granted in the following situations:
1. The Australian Academy of Commerce is unable to continue to provide the course; or
2. The student has changed welfare and accommodation arrangements and is no longer within a reasonable travelling time of the college; or
3. The student can demonstrate they are experiencing threat to physical or mental health or safety by remaining at the College and can demonstrate clearly how this will be alleviated through a transfer; or
4. It has been agreed by the Academy the student would be better placed in a course that is not available at the Australian Academy of Commerce; or
5. The current course of study is clearly not consistent with documented course requested for on their application.

A letter of release will normally **not** be granted in the following situations:

- Student fees are in arrears;
- The proposed transfer will jeopardise the student’s progression through a package of courses;
- The student has unsatisfactory academic progress;
- The student has unsatisfactory attendance;
- The student’s progress is likely to be academically disadvantaged;
- The Academy is concerned that the student’s application to transfer is a consequence of the adverse influence of another party;
- The student cannot provide a letter from another registered provider confirming that a valid enrolment offer has been made.

If a letter of release is refused, reasons for the refusal will be documented in writing and the student will be informed of their rights of appeal using the Academy's Complaints and Appeals Procedure.
Credit Transfer

The Australian Academy of Commerce ('Academy') recognises other qualifications and Statements of Attainment within the Australian Qualifications Framework awarded by other Registered Training Organisations. Formerly known as 'mutual recognition', credit transfer assesses the initial course or subject that an individual is using to claim access to, or the award of credit in, a destination course.

The assessment determines the extent to which the client's initial course or subject is equivalent to the required learning outcomes, competency outcomes, or standards in a qualification.

A request for a Credit Transfer is to be made on the ‘Application for Credit Transfer’ form. The form must be submitted to the Principal or Academic Manager for approval. It is preferred that Credit Transfers are confirmed prior to enrolment.

Any Credit Transfer request after the commencement of study will not vary the payment details on the Application Form at enrolment and that the shortening of the course duration shall be reported to the Department of Immigration & Border Protection (DIBP) & the Department of Education, Employment and Workplace Relations (DEEWR) via PRISMS under section 19 of the ESOS Act 2000. In such a case, the student must continue to study full-time and if their course is finished early, the student must either enrol in another CRICOS-registered course or depart Australia immediately unless they have been given authorisation by DIBP to remain in Australia.

When a student has been granted a Credit Transfer which lead to a reduced study load, the student must continue to attend school by choosing a subject from those offered on rotation. The student must ensure they register in a unit relevant to the qualification they enrolled in. If unsure of the appropriate subject to attend s/he should see the Academic Manager for advice.

Recognition of prior learning

Recognition of prior learning is the acknowledgement of a person’s skills and knowledge acquired through previous training, work or life experience, which may be used to grant status or credit in a unit of competency. A range of evidence is usually used including examples of previous work; documentary evidence of previous achievements, references from persons familiar with the candidate's achievements and in some cases demonstration of performance by means of specially designed RPL tools from within the training and assessment material and tests.

A request for RPL is to be made on the Application for RPL form. The form must be submitted to the Principal or Training & Assessment Manager for approval. It is preferred that RPL are requested and confirmed prior to enrolment. If the RPL application is approved, the candidate will be notified to make a briefing arrangement. At the briefing the candidate will be given an explanation of the RPL process and requirements. An assessor will be assigned to work with the candidate on the RPL plan and evidence gathering. When ready, the candidate presents evidence to demonstrate competence at the arranged assessment interview. If successful, the results are formally recorded on the candidate's transcript. For details ask for the RPL Process Guide at reception.

Any RPL request after the commencement of study will not vary the payment details on the Application Form at enrolment and that the shortening of the course duration must be reported to DEEWR & DIBP via PRISMS under section 19 of the ESOS Act 2000. In such a case, the student must continue to study full-time and if their course is finished early, the student must either enrol in another CRICOS-registered course or depart Australia immediately unless they have been given authorisation by DIBP to remain in Australia.
When a student has been granted an RPL which lead to a reduced study load, the student must continue to attend the school full-time by choosing a subject from those offered on rotation. The student must ensure they register in a unit relevant to the qualification they enrolled in. If unsure of the appropriate subject to attend s/he should see the Principal for advice.

**Client support**

**Airport pick up**

If you require an airport pick up, please advice the Academy at least 14 days in advance. A Student Services Officer will meet you at the airport and transport you to your accommodation for a charge of **AU$200.00**.

**Accommodation**

Our Student Services Officers can arrange homestay accommodation at no cost if requested. Students can enjoy any one of the following accommodation types:

- **Homestay** – students can enjoy the opportunity of living with an Australian family and practising their English language skills.
- **Homestay (Full board)** –
  - Single Room – from A$200.00 – A$300.00 per week
  - Shared Room – from A$150.00 – A$200.00 per week

Please give the Academy 14 days notice if you require our staff to arrange Homestay accommodation for you. It is estimated that students who live alone spend a total of between AU$250-$450 per week on accommodation, food and other living expenses.

**Homestay**

The best introduction to life in a new country is to arrange your arrival accommodation with a host from an accredited Homestay organisation. A trained Homestay Host can help get you settled into your new life in Australia, including looking at your future accommodation options.

The Australian Academy of Commerce has contracted with the Australian Homestay Network (AHN) for both Homestay and ‘HomeShare’ welcoming and temporary accommodation for new international students. Initial placement is recommended for 4 weeks with the option to extend your stay after the initial period.

AHN has been contracted to the Australian Academy of Commerce as they meet standards that have been set to ensure that you have the best possible experience in your homestay environment.

**Why is Homestay a great option?**

AHN Homestay Hosts are trained to assist international students:

- settle into their new community
- understand the basics of Australian culture and personal safety
- gain everyday conversational skills
- learn the community basics such as buying transport tickets
- organise banking, internet, mobile phones, etc.
- learn frequently used English and 'Aussie' words and phrases.
AHN offers a range of service levels to cater for all type of guests, including ‘HomeShare’ which is ideal for more independent students. For more information visit, http://www.ausacademy.edu.au/website/homestay/

**Student support**

All students have access to student support in the following areas:

- Medical referral
- Personal welfare
- Academic support
- Student visa assistance

The Academy provides academic, vocational and personal support to all students including issues regarding language, literacy and numeracy. Any student wanting advice and assistance on personal or educational matters can find supportive help on campus from the Academy's staff.

**Learners’ needs**

The Australian Academy of Commerce ('Academy') endeavours to identify, assess and provide learning support to its clients for all qualification currently on its scope of registration. This will include negotiating, adjusting and planning appropriate learning and assessment strategies to meet the needs of individual learners.

Considering the Academy's target group it is fundamental that the following learning needs are identified prior to enrolment, explained and planned at orientation, and implemented during the learning period:

- English language levels
- Literacy and numeracy levels
- Learning styles – ie preference to auditory, visual, tactile, reading/writing
- Physical ability
- Intellectual ability
- Cultural or ethnic background

The Academy will ensure that it has access to the staff, facilities, equipment, training and assessment materials required to provide the training &/or assessment services within its scope of registration and scale of operations, to accommodate client numbers, client needs, delivery methods and assessment.

**Student Visas**

International students are bound by the rules of the student visa, which includes such obligations as attending classes while in session and achieving satisfactory academic performance. Overseas students with school-aged dependants accompanying them to Australia will be required to pay full fees if they are enrolled in either a government or non-government school. For a complete listing of information regarding student visa please visit the Department of Immigration website at [http://www.immi.gov.au/students/](http://www.immi.gov.au/students/).

**Overseas Students Health Cover (OSHC)**

The Australian government requires all overseas students to pay for Overseas Student Health Cover (OSHC) during their stay in Australia. Australian Academy of Commerce preferred OSHC provider is Australian Health Management (AHM). The Academy's staff can assist applicants in arranging this through the OSHC scheme.

Assessments procedures

Assessments
A variety of assessment methods will be used to ensure flexible and accurate judgements can be made. A minimum of three assessment types is required to be used to determine competency to reflect industry application and knowledge in the workplace. There is a general explanation of the assessment methods below however specific explanations and instructions are inserted in every assessment tool and Assessment Plan for each Unit of Competency. Assessment methods may include but are not limited to:

- **Scenarios** – are where the candidate demonstrates competency within a given scenario. The assessor would provide feedback during the assessment and provide alternate possible situations of which the learner needs to adjust their answer or demonstration.

- **Knowledge Test** – assessing the knowledge aspects of the learning. Questions could be in the form of true/false, multiple-choice and short answers.

- **Individual Activities** – are where candidates have to research or embark on a particular learning activity on their own before as part of collecting evidence of knowledge or skills.

- **Group Activities** – are where candidates research in pairs or in groups to research or embark on a particular learning activity as part of collecting evidence of knowledge or skills.

- **Written Assignment/Report** – are fairly major assignments in producing a written report that has a holistic approach but has clear divisional parts, which could have separate due dates.

- **Observation and Demonstration** – is focusing on the assessment of skills and the candidate is demonstrating the competency before the assessor.

- **Workbook Activities** – when a learner is provided with a workbook for the unit, s/he is to complete all the tasks within to gain the relevant competency. The activities are designed to work through attaining the unit’s knowledge and skills.

- **Self-assessment** – as part of the assessment, learners are given the opportunity to self assess their development in attaining the units’ competency.

- **Case Studies or projects** – is where a candidate is given (factual) background on a particular business case or where a candidate embarks on a project arising from the business case. Learners need to demonstrate that they have a comprehensive understanding of the issues that arise in the case and are able to evaluate and make appropriate recommendations in accordance with the elements of competency as part of their answer.

The trainer at the beginning of each unit provides assessment requirements for each unit. All assessment requirements are to be undertaken within the required timeframe. Assessment activities such as written tests will be given during class times while practical activities assessed in simulated job environments will be organised for a mutually acceptable time.

Teachers will discuss all aspects of assessment requirements prior to the activity being conducted. You will be rated as Satisfactory ‘S’ or Not Yet Satisfactory ‘NYS’ for each activity undertaken. Additional reasonable attempts will be given for each activity until competency is achieved. This is to be negotiated with your Trainer/Assessor if required. Free opportunities for a re-assessment will be given within the period of the unit attempted. Late submissions will incur a fee. Re-assessment after the unit can be arranged but administration costs will apply. (See below details of re-assessments.)

The Australian Academy of Commerce will ensure to provide quality control across the range of assessment services by regularly reviewing the assessment outcomes and providing a second assessor at times to review competence to ensure consistency of assessments, under the assessment validation sector requirement.
Students have the right of appeal to apply in writing to the Principal within two weeks of assessment if the assessment has not been fair. In the event that you are not satisfied with an assessment decision or process, the following procedure applies:

1. Discuss the matter with the trainer/assessor;
2. If the matter is unresolved, complete and submit the **Improvement Action Record** form at the reception desk.
3. Your appeal will be examined by the Principal &/or the Academic Consultant;
4. If the matter remains unresolved then the Principal and the client will nominate an independent arbitrator to examine the matter (ACPET);
5. If the matter is unresolved, then the student would be advised to take the matter to the national regulator Australian Skills Quality Authority (ASQA).

**Late Assessments**

Assessments must be submitted by the due date specified. This date can be found in the unit outline, unit delivery plan, e-learning platform and on the cover page of the assessment task. Assessments submitted after the due date will incur a fee (AU$50 per assessment task if submitted within the term, AU$150 if submitted in term breaks) which will be invoiced to students prior to their next study term or prior to the release of qualifications or release letters.

**Re-Assessments**

If a student receives a ‘**Not Yet Satisfactory**’ in a specific assessment, it is the student’s responsibility to contact the Trainer/Assessor and make arrangements to be re-assessed.

Re-assessments need to be done within the time period allocated to the unit otherwise standard administration costs (AU$50 per assessment) will apply. This is also in line with student visa requirements of academic performance. Please collect the **Late Re-Assessment Form** in the office to make special arrangements with your assessor and administrator for late re-assessments.

To be re-assessed, the student with the Trainer/Assessor has to fill in the Re-Assessment Form. A student who wishes to extend their visa because their results have shown ‘Not Yet Competent’ will be allowed to do so only once (see 'Extension of Studies' section below) and additional fees may apply. Therefore, it is in the student’s interest to succeed in the re-assessment during the period of enrolment.

**Support and Career Services**

If you have a problem, talk to someone! Feel free to speak to your teacher, Student Services Manager (SSM) or see one of the Student Services Officers (SSO). The Principal is also on hand to help you (appointments only).

The SSOs will assist students who require assistance in adjusting to study and life in Australia. A lot of information is given in the student orientation session and in the Student Handbook. For free, the SSOs are able to clarify important information &/or direct you to: legal services, emergency and health services, facilities and resources, complaints and appeals processes and student visa obligations (meeting course & attendance requirements).

Students are encouraged to discuss their academic performance and attendance record with their teacher(s), Student Services Manager or one of the SSO. Serious or complex matters will be directed to the Principal for clarification.

The Australian Academy of Commerce conforms to all Occupational Health and Safety Regulations for you to have a safe and healthy place to study. Every person in the premises is expected to take reasonable care of their own health and safety and for that of anyone else who may be affected by their actions. If you have
a health and safety inquiry or issue, raise it with your teacher or at reception. In case of emergency, follow
the fire drill instructions and exit map signs posted in the premises.

In case of any casualty, eg fainting, chest pain, a fall, loss of consciousness, asthma, diabetes, bleeding, burn,
scald, insect bite or sting, please report it to a staff member immediately. A First Aid Kit is at the
Reception Desk.

**Grievance and Student Complaints and Appeals Policy**

Grievance is a complaint presented by an individual, or a group, based on the opinion that they are, or have
been, receiving treatment that differs from the treatment received by other individuals or groups.

The complaints and appeals policy of the Academy shall ensure that all formal complaints are dealt with in a
constructive and timely manner at no cost to the complainant.

If a student has a problem at the Academy, e.g. involving the quality of relationship with another person(s)
or any aspect of studies, the student may wish to ask to speak with his/her teacher or a Student Services
Officer.

All formal complaints or appeals are presented by collecting and completing the *Improvement Action Record*
(IAR) form at reception. The Student Services Manager or SSO should be able to assist the student in
recording the complaint or appeal on the IAR form. The IAR is reported in the scheduled QMT or Team
Meeting to reach an acceptable outcome or a meeting is scheduled separately to ensure that the IAR is
discussed and action taken within 10 working days. The details of the actions required are specified on the
IAR and in the minutes of the meeting. A letter will be sent to the student explaining the reasons for the
decision.

If the student is not satisfied with the QMT's decision, s/he is entitled to appeal and be heard by an Overseas
Students Ombudsman. The Overseas Students Ombudsman is free and independent. Students can find out
more at [www.oso.gov.au](http://www.oso.gov.au) or phone 1300 362 072. The student **must continue to attend classes and
maintain their enrolment** while the complaints and appeals process is ongoing.

**Monitoring Course Progress**

Australian Academy of Commerce (‘Academy’) is required in accordance with Standard 10 of the *National
Code of Practice 2007* to monitor and record student academic progress throughout their period of
enrolment.

Course progress is monitored during the term and after the completion of term. Students who are having
academic difficulty are encouraged to seek help through their Trainer & Assessor (‘T&A’). If preferred a
Student Services Officer (‘SSO’) on behalf of the student can also assist in the process of unit completion by
presenting their difficulty to the appropriate T&A.

During the orientation program at the commencement of the course, students are provided with a Student
Handbook, which they must sign off that they have read and understand all of its contents. Included in the
handbook is information regarding the student visa conditions and requirements relating to satisfactory
course progress and attendance.

When a student does not meet the course requirements for two consecutive terms they may be reported
to DEEWR via PRISMS as required under section 19 of the ESOS Act 2000 and this may result in their visa
being cancelled.
Requirements for achieving satisfactory course progress

In order to ensure a student’s course progress, the Academy will monitor academic performance in each unit they are enrolled using the Academy Learning Management System (LMS). All students are required to register in five class sessions per week (which equates to 20 contact hours of study). The Academy uses its own robust system of monitoring on the Academic & Attendance Report, which are signed off by their T&A in relation to their attendance and assessment task submissions for each session and unit of study.

Students are expected to achieve a competent (‘C’) outcome for each unit they are registered in to meet satisfactory course progress in line with the class session course completion requirements (appendix A). Assessments not submitted by the due date or with an outcome that is determined as not yet competent (‘NYC’) must be completed or submitted again to be re-assessed within the term of the unit the student is registered. Students will need to make arrangements with their T&A to undertake the assessment task. Students submitting assessments after the term are subject to administration costs.2

Students will be deemed to have not made satisfactory course progress in any given term, by not successfully completing or demonstrating competency in 50% or more of the required units for that term.

Students are at risk of their visa being cancelled due to not meeting satisfactory course progress, where the student has failed or is deemed NYC in 50% or more of the units attempted in two consecutive study periods.

Completion within expected duration of study

Standard 9 of the National Code requires the Australian Academy of Commerce (‘Academy’) to ensure that at all times students are in a position to complete their studies within the duration specified in their CoE, unless certain circumstances apply.

If a student chooses to study at less than a 100 per cent course load in a particular study period, they will have to make sure that they can still complete the course in time. If a student completes their course early they must ensure their tuition fees for the course are paid in full and the Academy must report this to the Department of Immigration & Border Protection (DIBP), and the duration of the student’s visa will most likely be reduced.

Extension of Studies

In some cases, the student visa expires before the student completes the course. This may occur due to the following reasons:

- You have deferred or suspended your studies;
- You have transferred from another Institute;
- You have been unable to attend class for medical reasons that have been supported by medical documentation, or other exceptional compassionate circumstances beyond the control of the student (eg, bereavement);
- You have received the ‘not yet competent’ result(s).

The Department of Immigration will determine whether you are eligible to extend your student visa to complete your study. Extra tuition & administrative charges apply for extensions that result from inappropriate deferment/suspension or due to ‘not yet competent’ assessments.

Attendance

The Australian Academy of Commerce systematically monitor students’ compliance with student visa conditions relating to attendance. Registered providers are proactive in notifying and counselling students.

---

2 Administration cost is calculated at $150 per subject.
who are at risk of failing to meet attendance requirements. Registered providers report students, under section 19 of the ESOS Act, who have breached the attendance requirements.

All course participants are required to attend a minimum of 20 contact hours per week to meet their student visa requirements and to gain maximum benefit from the classes. Students are required to attend all scheduled face-to-face training sessions each week. The minimum attendance requirement is 80% for each term, while classes are in session. At the commencement of each session, your trainer will provide a “sign-on” attendance sheet that must be initialised on arrival and departure.

Should you be unable to attend classes for reasons such as illness, serious family problems, you are required to contact the Australian Academy of Commerce and explain your situation.

A medical certificate from a registered general practitioner is required if you are sick and this will be recorded on the attendance records. It is a requirement from DIBP that educational providers record actual student attendance, which means that even when a medical certificate is provided, students will be marked absent for the duration of their non-attendance. Students must provide a copy of their medical certificate upon return to class and keep the original for future records.

Students who have been absent for 5 consecutive days without approval, who have not been consistently attending their course or whose academic results are unsatisfactory will be contacted by Student Services Manager to arrange an interview to discuss these matters.

Students below 80% average course attendance in a term may be reported to DEEWRR via PRISMS as required under section 19 of the ESOS Act 2000 and this may result in their visa being cancelled.

Acceptable Absences

The Academy may accept absences for the following reasons,

- **Sickness** – if supported by a medical certificate from a registered medical practitioner.
- **Compassionate circumstances** – illness or death of an immediate family member (this must be approved by the Academy in advance).
- **Religious reasons** – this must be approved by the Academy in advance

The following are not acceptable reasons for absence:

- Employment related issues
- Unavailability of desired subjects at the Academy at a particular time
- Transport or accommodation problems

Evacuation Drills

Australian Academy of Commerce has Emergency Exit signs on display, and exit maps on display. Please familiarise yourself with this in case of an emergency evacuation.

Immigration Law

It is the responsibility of all persons who hold a visa to stay in Australia to understand and comply with the conditions of their visa.

Dress Code

Students are expected to dress in a neat and tidy manner.

General Behaviour

Australian Academy of Commerce has a small number of rules of which students must abide. These rules are to protect both students and staff and are to be followed for a harmonious and enjoyable time at Australian Academy of Commerce.
- Australian Academy of Commerce is a non-smoking building and smoking is strictly prohibited inside the building.
- Students must treat all facilities with care and respect. If any facilities are damaged or in non-working condition, it is the duty of the student to inform the reception staff immediately.
- Students are expected to move around the Academy quietly so as not to disturb others.
- Students are not to eat in the classrooms or during class, a student common room has been provided for students to eat food in.
- Mobile phones are to be turned off in all classes so that a disruption does not occur.

**Student Misadventure**

Students will be from time to time reviewed and reported on class incidents. These incidents could include activities such as:

- continual tardiness in arriving for classes and back from breaks
- failure to complete set assessment work
- failure to following WH&S requirements (and when undertaking practical exercises)
- cheating during assessment tasks
- disruption in classes

Continued unacceptable incidents and behaviour such as those listed above will be reported to the authorities as breaching visa obligations.

In accordance with paragraph 39.5, procedures are in place for advising the Department of Immigration and Border Protection, via PRISMS, of a student’s failure to meet their visa conditions relating to academic performance under the *Migration Act 1958*, and for notifying the student of their non-compliance. This must be done as soon as practicable, as required by Section 19 of the *ESOS Act 2000*.

**Students contact details**

It is important that the Academy’s administration office be provided with the student’s current address. Should a student change his/her address, the administration office must be informed. It is the student’s mandatory responsibility to report the change in written form at reception.

Where a warning letter is sent to the address on our student file and no response is received because the student has moved address (and has not notified the Academy’s administration), it is the student’s responsibility and the Department of Immigration and Border Protection will be informed. Accurate and current records of all student activity are kept and maintained in accordance with requirements.

**Privacy policy**

We will not disclose any information that we gather about our clients to any third party as per the ‘Information Privacy Principles’ in Section 14 of the *Privacy Act 1988* (Commonwealth). This Act imposes obligations on private education providers in the collection, storage, use and disclosure of personal information.

We are obliged to tell the client the purpose of collecting personal information, who receives this information and where it is held. We must also provide ongoing rights to access this information about the individual and make corrections. We are also obliged to protect and maintain accurate personal and private information and not disclose it without the knowledge and approval of the individual concerned.

Information that the Academy Officer asks a client will only be necessary for the purposes of course enrolment, learning and study records.

No client information is shared with another organisation. If client information is required by a third party we will obtain written consent from the client prior to release of any information.
Should a client seek access to their information we have a documented procedure requiring authorisation before this can occur.

However, a student's personal information provided to the Academy may be made available to the Commonwealth and State departments, as well as the Tuition Protection Scheme (TPS) Director, pursuant to obligations under the ESOS (Education Services for Overseas Students) Act 2000, the National Code, Vet Quality Framework and other offices of the NSW Department of Education & Training if applicable.

Confidential files of each student include:
- current enrolment status
- progress reports
- assessment records
- outstanding fees

You are able to access your personal files by request to the SSO by showing your student card.

**Staff responsibilities for access and equity**

Access and equity policies are incorporated into operational procedures. Australian Academy of Commerce prohibits discrimination towards any group or individuals in any form, inclusive of
- Gender
- Pregnancy
- Race, colour, nationality, ethnic or ethno-religious background
- Marital status
- Physical or intellectual or psychiatric disability, or any organism capable of causing disease
- Homosexuality (male or female, actual or presumed)
- Age (in relation to compulsory retirement)

Programs are designed and wherever possible facilities set up to enhance flexibility of delivery in order to maximise the opportunity for access and participation by disadvantaged clients.

**Course deferral, suspension and cancellation**

Students are able to defer or temporarily suspend their studies during their course only in certain circumstances, on the grounds of compassionate or compelling circumstances. Compelling or compassionate circumstances may include, but are not limited to:
- Serious illness or injury, where a medical certificate states that the student was unable to attend classes;
- Serious illness or death of a family member necessitating a return to the student's home country;
- Serious injury;
- Major political upheaval or natural disaster in the home country requiring emergency travel and this has impacted on the student's studies;
- A traumatic experience which could include: involvement in, or witnessing of a serious accident; or witnessing or being the victim of a serious crime (these cases should be supported by police or psychologists' reports);
- Where the registered provider was unable to offer a pre-requisite unit;
- Inability to begin studying on the course commencement date due to not achieving the required entry English language level; or
- Inability to begin studying on the course commencement date due to delay in receiving a student visa; or
- Any behaviour identified as resulting in expelling students for serious breaches of discipline and visa obligations as well as failure to pay tuition fees on time.
Students must specify the duration and reason for the deferral and visa cancellation may be initiated by DIBP if the deferral is for more than one term. Australian Academy of Commerce will enter a Student Course Variation to PRISMS.

Students may also have their enrolment deferred or suspended due to misbehaviour which can also be grounds for cancellation of studies.

Students must be aware that deferring, suspending or cancelling the enrolment may affect their student visa.
